Directions
Take the N1 from Cape Town to Paarl and after about 40 km, take the left R44 turn off to Wellington. Keep straight on the R44 for about 20 km until you get to the T-junction in Wellington. Turn left and follow the winding road down to the church in the middle of town. Turn right in Church Street. After about 800m turn right in Berg Street. Turn right into Burg Street (second street on your right). Park in front of DIE STAL. The pedestrian gate will open if you push the practice button (66b practice). We are at the back of the pan handle right under the tree.
